

IFAM International Folk Art Market

2018 International Folk Art Market Accessible Needs Attendee Drop-off

All Attendees with accessible needs are strongly encouraged to be dropped off at either the Sun/ South Capitol or Moon/ PERA Parking Lot, where they can board an accessible kneeling shuttle and be dropped off at the ADA drop off in the botanical garden parking lot, directly across from the front of the Market.

Should an Attendee arrive at Museum Hill with an ADA placard, and we have capacity, they will be provided a space on site.
